

## Renew or become a Friend or Patron

We hugely value the support of our audience, and especially those who are able to become Friends and Patrons of LICMF. If you have already made a donation to be a Friend or Patron for 2018–19 (including the Summer 2019 Festival), please consider completing this form in order to become a Friend or Patron for 2019–20. As part of our continued development, we are seeking to expand our Friends and Patrons. As such, we have included a spare form with this letter. We encourage you to tell someone new about LICMF, and pass this form on to them. If we can double our Friends and Patrons in this way, you will have helped guarantee our future progress as an organisation.

As a Friend you may choose to receive a free ticket to the final concert of the Summer Festival; as a Patron you may choose to receive free tickets to both the first and final concert of the Summer Festival. Friends and Patrons each receive newsletters throughout the year, a free festival programme, priority booking for all concerts, and an invitation to a Friends and Patrons event as part of the Festival.
